

Cost Accountant – Fayette, AL

Who we are

Truck Bodies & Equipment International (TBEI) encompasses five leading manufacturers of dump bodies, landscape bodies, grain bodies, platforms, hoists, and truck and trailer equipment and accessories. We are a privately-owned corporation company which highlights:

- 800+ distributors and dealers, across North America
- 5 major brands
- Industry-leading technology, management team, and performance
- High quality products including military-spec dump bodies for the US Armed Forces

What we do

TBEI, Inc. manufactures and installs dump bodies and equipment. From fabricating raw steel to precise machining capabilities to welding and finish paint, TBEI provides customers with a “one-stop-shop for their complete dump truck needs. Dump bodies and other equipment are then installed and mounted onto truck chassis at one of our manufacturing facilities across the US or shipped to our distribution network.

TBEI – Mission Statement

We are a leading manufacturer of truck bodies and hoists in the US. We enable the safe and efficient transportation of material in the construction, defense and agriculture markets. Each member of our team strives to exceed customer expectations with prompt delivery, exceptional quality, and unmatched response times. We do this through the development of market leading products with a commitment to continuous improvement of our employees, our production techniques and our product lines. “We don’t make the truck, we make the truck work.....We put the work in a Work Truck.”

What we are like

Our company is smaller in size, but big in ideas. We have 4 manufacturing facilities across the US in the states of North Dakota, Minnesota, Mississippi, and Alabama. In whole, TBEI has over 700 employees. Our vision is to grow the revenue of our already successful business. We work on creating an atmosphere where people feel good about coming to work and the work that they do. We are a hands-on management team supporting our people.
