

INSTALL TECHNICIAN

TBEI, Inc., a Minnesota based company, encompasses four leading manufacturers of dump truck bodies, hoists, and truck and trailer equipment. TBEI Inc is dedicated and driven to be the leader in the market. We are currently hiring a variety of opportunities to support our customers' needs. Career advancement opportunities are available for those wishing to advance. The Install Technician position is scheduled for Mondays through Thursdays from 5:45am—4:15pm with overtime as needed. This department is currently working 45-50 hour work weeks, Monday thru Friday.

Job Summary: Install Technicians begin training in one station, and will cross-train based on their strengths.

Install is responsible for the layout, wiring and mounting of hoists and custom truck bodies on the chassis, setting up and operating machines that will cut, bend, saw, or punch steel into custom parts needed for body mounting and completing mechanic work such as working with hydraulics and mounting PTO (power take offs) and pumps. In-house training is available to help employees to advance to levels where the need is present. Candidates are also welcomed to participate in the community education Weld Class in Lake Crystal.

Cross training and Advancement Opportunities are determined upon skills/qualifications and job performance. In this role, you will use a computer to view work procedures, (blue) prints, due dates, and special instructions. For most opportunities, qualified candidates need to be proficient in reading a tape measure, are comfortable learning & using an Overhead lifting device, and are able to perform basic math functions.

If you or someone you know would be a great fit for our growing company, we invite you to apply online at www.TBEI.com or visit us onsite!
