

## **INSTALLATION LEAD**

TBEI, Inc., a Minnesota based company, encompasses five leading manufacturers of dump truck bodies, hoists, and truck and trailer equipment. TBEI Inc is dedicated and driven to be the leader in the market. We are currently hiring a variety of opportunities to support our customers' needs. Career advancement opportunities are available for those wishing to advance!

We are hiring for a day shift Lead in our Installation area to train, guide, and work alongside Install Technicians to manufacture/install components to "make the work truck work". To accomplish this, the Installation Lead will become fluent in all aspects of the working area, including expectations related to working safely, producing quality product, meeting on time delivery commitments, providing training to new employees, and developing current employees to advance their skills. The Installation Value Stream uses tools/equipment (i.e. power/pneumatic tools, drill presses, metal saws, overhead hoists, welding equipment, and more) to install dump bodies and hoists into the chassis for commercial trucks, municipal trucks, and junk trucks. Areas of expertise include wiring, mounting, welding, and installing PTO's and Hydraulics. Some technicians are cross trained depending on skills/qualifications. The ideal Lead candidate will have a combination of formal leadership education, have proven experience leading & training others, and related industry experience or mechanical aptitude. Ideal candidates will also be an active, reliable contributor to the team who strives for continuous improvement.

This individual will also become a back-up to the other Lead and Supervisor. The regular schedule for this opportunity is Mondays thru Thursdays from 5:45am—4:15pm with overtime as needed.

If you or someone you know would be a great fit for our growing company, applications are accepted online at [www.TBEI.com](http://www.TBEI.com) or you're welcomed to visit us onsite!
