

MACHINE OPERATOR

TBEI, Inc., a Minnesota based company, encompasses four leading manufacturers of dump truck bodies, hoists, and truck and trailer equipment. TBEI Inc is dedicated and driven to be the leader in the market. We are currently hiring a variety of opportunities to support our customers' needs. Career advancement opportunities are available for those wishing to advance. The Machine Operator position is scheduled for Mondays through Thursdays from 4:15pm—2:45am with overtime as needed. This department is currently working 45-50 hour work weeks Monday through Fridays. Overtime on Fridays may vary and be reduced in the future.

Job Summary: This position uses fabrication equipment, like saws, drills, lathes, and robots, to make parts for the dump body and hoist welding areas. Machine operators flex from one area to the next based on need, and cross-training is provided. Candidate must be able to read a tape measure and learn to read the blue prints to ensure quality parts are made for internal customers.

Cross training and Advancement Opportunities are determined upon skills/qualifications and job performance. In this role, you will use a computer to view work procedures, (blue) prints, due dates, and special instructions. For most opportunities, qualified candidates need to be proficient in reading a tape measure, are comfortable learning & using an Overhead lifting device, and are able to perform basic math functions.

If you or someone you know would be a great fit for our growing company, we invite you to apply online at www.TBEI.com or visit us onsite!
