

PAINT PREP OPERATOR

TBEI, Inc., a Minnesota based company, encompasses four leading manufacturers of dump truck bodies, hoists, and truck and trailer equipment. TBEI Inc is dedicated and driven to be the leader in the market. We are currently hiring a variety of opportunities to support our customers' needs. Career advancement opportunities are available for those wishing to advance.

High performing team members may be eligible for long term, full time opportunities with TBEI. The Paint Prep Operator is scheduled for 10-hour workdays, Mondays through Thursdays from 5:45am—4:15pm. Starting pay is \$14 per hour. In this role you will use a hand tool (chipper) and air tool (sander) to remove weld spatter from dump bodies in a lean manufacturing environment. You use a Wander tool & chemicals to remove an oxidation discoloring that occurs during the stainless steel welding process. Operators also use air hoses and pressure washers to prepare the products for paint. All operators will be fully cross-trained. Top performers with the proper talent may be eligible for career advancement into a Sand Blasting or Painter role. Must be able to climb ladders, stand throughout the shift, perform repetitive tasks using upper body repetition. Must also be able to wear the personal protective gear and work in a higher temperature area during the summer months.

If you or someone you know would be a great fit for our growing company, we invite you to apply online at www.TBEI.com or visit us onsite:
