

## WELDING LEAD

TBEI, Inc., a Minnesota based company, encompasses five leading manufacturers of dump truck bodies, hoists, and truck and trailer equipment. TBEI Inc is dedicated and driven to be the leader in the market. We are currently hiring a variety of opportunities to support our customers' needs. Career advancement opportunities are available for those wishing to advance!

### **Job Summary:**

We are building a night shift welding team and are looking for a Full Time Welding Lead to train, guide, and work alongside welding team members to build quality product. To accomplish this, the Welding Lead will become fluent in all aspects of the welding area, including expectations related of working safely, producing quality product, meeting on time delivery commitments, providing training to new employees, and developing current skilled employees to advance their welding careers. This individual may also become a back-up to Leads in other areas. The most qualified candidates will be a high performing MIG Welder for Carbon Steel, and preferably Stainless Steel; have proven experience training and developing Welders; be an active, reliable contributor to the team who strives for continuous improvement. The schedule for this opportunity can either be Mondays thru Thursdays between 12:00pm—10:30pm with overtime as needed—OR—Mondays thru Thursdays between 4:15pm—2:45am with overtime as needed.

If you or someone you know would be a great fit for our growing company, we invite you to apply online at [www.TBEI.com](http://www.TBEI.com) or visit us onsite!
