

Job Description: Quality/Warranty Manager

What we do

TBEI, Inc. manufactures and installs dump bodies and equipment. From fabricating raw steel to precise machining capabilities to welding and finish paint, TBEI provides customers with a “one-stop-shop for their complete dump truck needs. Dump bodies and other equipment are then typically shipped out to our loyal band of distributors for sale and installation onto a truck frame. Our Tishomingo, MS facility also mounts bodies onto truck chassis.

TBEI –Quality Statement

AT TBEI, quality begins and ends with the customer. Our mission is for customers to recognize us as the “preferred supplier” of dump truck bodies and equipment. We strive to continuously improve our customers’ performance results and everyone within TBEI is totally dedicated to customer satisfaction.

What we are like

Our company is smaller in size but big in ideas. We have approximately 100 employees at our Tishomingo, MS facility. In whole, TBEI has over 550 employees across 4 manufacturing facilities. Our vision is to grow the revenue of our already successful business. We work on creating an atmosphere where people feel good about coming to work and the work that they do. We are a hands-on management team supporting our people along the way.

Your role

In this role you will plan, direct, and coordinate manufacturing processes in industrial plant.
